PERSONAL PROFILE

A Master Mariner with Fourteen+ years of shipping experience. I have sailed aboard Oil and Gas tankers graduating through the ranks from Mates to Captain of the ship. I have also gained significant shore experience working with Maersk Singapore as an Executive in the Business Development team. I have been working as an assistant marine surveyor with M/s Constellation Marine Services since 2009.

I completed with merit the Diploma course in Cargo Surveying (DipCarSur) by the International Institute of Marine Surveying (IIMS), UK in 2007 with specialization in: Liquefied Natural Gas (LNG), Chemicals in bulk, Dangerous Goods and Marine Cargo Damage claims. I also cleared AMSA approved certificate of recognition for my UK COC and Singapore GMDSS in 2014.
