

Capt Mohit Misra

Master Mariner
Master II/2 COC, NEBOSH, IOSH

PROFESSIONAL PROFILE:

Marine professional holding a Master Mariner (II/2 FG Certificate of Competency) with over a decade of extensive experience in the maritime industry, particularly in tanker operations and marine surveys. Proven track record in leading cargo handling, voyage planning, audit preparations, and incident investigations. Currently serving as Principal Surveyor with Constellation Marine Services, bringing deep expertise in marine inspections, insurance claim assessments, and vessel condition evaluations.

Professional Experience:

Constellation Marine Services – Principal Surveyor

Oct 2024 – Present, UAE

- Lead comprehensive marine surveys: pre-purchase inspections, off/on-hire condition surveys, Hull & Machinery assessments.
- Conduct incident investigations, marine warranty and insurance claim surveys (H&M claim support).
- Perform vessel valuation and technical due diligence.
- Manage technical defect investigations, insurance claim assessments, and direct interactions with P&I clubs, underwriters, charterers, and insurers.

Nan Lian (Ship Management Company)

May 2023 – Oct 2024, UAE

- Managed marine operations, HSEQ compliance, and crewing logistics for an international maritime fleet.
- Coordinated safe manning & crew rotation schedules.
- Implemented ISM/ISPS/MLC audit readiness and internal risk assessments.

Teekay Tankers / Dynacom

2013 – 2023, Global

Tanker Officer | Cargo & Operations Supervisor

- Oversaw tanker cargo activities: loading, discharging, stability calculations, cargo planning.
- Led voyage planning, conducted risk assessments and safety reviews.
- Managed SIRE/Port State Control inspections and coordinated audit preparations.
- Held overall responsibility for navigation bridge operations and life-saving/fire-fighting equipment readiness.
- Supported dry-dock planning and survey coordination.
